Subject Knowledge Audit

Please assess your own knowledge, skills and understanding in relation to the statements at <http://bit.ly/urcsaudit>. If you're not happy to complete the online form, you're welcome to print off a copy, fill it in and bring it along to the interview.

Please answer the ten multiple choice questions at <http://bit.ly/urcsquestions>. Again, If you're not happy to complete the online form, you're welcome to print off a copy, fill it in and bring it along to the interview.

At interview, please be prepared to talk about a computer program you've written or software to which you have contributed.
